MIAMI-DADE
COUNTY

Cruise Capital of the World

The modern-day cruise industry began at the Port of Miami more than four decades ago, and, since that time, the indisputable Cruise Capital of the World has continued to build upon its enviable reputation as the finest home port anywhere. In fiscal year 2009, the Port welcomed more than 4.1 million multi-day passengers, more than any other port in the world!

Through its cruise industry partners, the Port of Miami offers a world-class line-up of cruises varying in lengths, from three- and four-day Caribbean itineraries to much longer voyages that offer sailings to all corners of the world.

The Port is proud to be home to the world's most distinguished cruise lines – Azamara Cruises, Carnival Cruise Lines, Celebrity Cruises, Costa Cruises, Crystal Cruises, Norwegian Cruise Line, Oceania Cruises, and Royal Caribbean International.

The Port of Miami provides the ultimate passenger facilities and gives cruise vacationers the opportunity to conveniently extend their warm-weather vacations into Miami's tropical tourist mecca.

Passenger Terminals

The Port of Miami has state-of-the-industry facilities that offer the ultimate in passenger amenities while being maintained to the highest standards. To continue its position as a world-class facility, the Port is continuously preparing for the next generation of cruise vessels. Currently the Port has seven cruise terminals. The Port's most contemporary cruise facilities, Terminals D and E, have the capability to accommodate mega vessels carrying up to 5,000 passengers. These ultra-modern, three-story buildings have among their special design features a VIP lounge, integrated security and inspections functions, automated baggage handling system and a host of other modern amenities. Additionally, they feature a one-stop federal multi-agency facility for passenger processing. The Port is currently advancing plans for a new cruise terminal, as well as modern enhancements to its current facilities. On the drawing board is the world's largest multi-terminal facility in the world, potentially serving several cruise vessels simultaneously.

Miami's Newest Vessels

The Seaport will welcome Norwegian Cruise Lines' *Norwegian Epic* in July 2010 with year-round service to the Caribbean. This 4,200 passenger ship will be NCL's largest and most innovative freestyle vessel offering passengers alternating seven-day eastern and western Caribbean voyages.

Miami is also excited to be a seasonal homeport to Celebrity Cruises' *Celebrity Eclipse* beginning November 2010. This new solstice-class vessel will offer alternating seven-day eastern and western Caribbean itineraries.

Most recently announced, Costa Cruises will return to Miami in January 2011. The *Costa Atlantica* will offer 7-day Eastern and Western Caribbean cruises.
